### COMMITTEES MAKE REPORTS. Success Indicated for Benefit for St.

Ann's Asylum. At a meeting of Keane Council, Knights of Columbus, held at their hall last night, the various committees having charge of the donation party and grand ball to be given for the benefit of St. Ann's Infant Asylum April 22 made reports which indicate that the indertaking will be a success. Meeting in conjunction with the members of the council, the Ladies' Auxiliary, headed by Mrs. John R. Galloway, chairman, to the number of 400, was entertained as the guests of the evening and for their benefit a program arranged by the lec-turer of the council, John J. Keenan, assisted by Capt. C. Eugene Edwards, was given, which included selections and solos by the vested choir of St. Paul's Church, numbering seventy-five voices, under the direction of Prof. Dickerson, and fancy cycle riding by the Cogswell Trio, after which a bouffet lumbhou was served.

incheon was served.
Leo P. Harlow, chairman of the com-nittee on donations, reported that the chole district had been organized and that whole district had been organized and that a subcommittee of men and women was at work in every parish of the city seeking donations and selling tickets, and from reports already received by him the undertaking was to bear fruit in unmeasured degree. It was further reported that several of the large business houses of the District had indicated a willingness to supply to the infants such goods from their stock as might be desired for their care and comfort. Meetings will be held regularly to receive reports and complete arrangements until the day of the ball, which will be held at Convention Hall.

### Advance, Davis and Southern on Duty in Towing Service.

With a big dredging machine in tow. the tug Advance, flagship of the Taylor fleet of tugboats of this city, left Hampton roads yesterday for Philadel-phia, where the dredge is to be employed in channel-deepening operations. After delivering the dredge at its destination the Advance is to return to Chesapeake bay, and will resume neral towing work on the bay and its

tributaries.

The tug M. M. Davis, the other big tugboat that claims Washington as its home port, is on a long-time charter at Philadelphia as tender to dredging machines of the Maryland Dredging Company employed in channel improvement work in the vicinity of the League Island navy yard. It will be a year or two before the Davis is again seen at this port.
